

CARE PACKAGES, BIRTHDAYS, SPECIAL OCCASIONS!

There are local delivery options for the special occasions when you might want to have something special delivered to your student to celebrate a birthday, to perk them up during final exams, for a holiday, or just to say HI!!! Several of our local businesses offer nice options, and we have a care package service, FromMom.com, that also has many goodies to offer!

All items delivered to campus MUST be delivered to our main campus post office. NO deliveries to dorm rooms or other buildings are allowed. Our post office staff will work hard to let your student know when they have goodies to pick up! Also, another tip -- most businesses will do better with several days' notice on orders, and best if you have things delivered to campus by Friday as our campus post office only has limited hours on Saturday morning during the school year.

Karamel Kreations

This locally-owned gift store and candy store will deliver goodies to the campus post office for your student! Items they feature include gift baskets of their famous homemade candies, Lilly Pulitzer items, or Greek sorority and fraternity items, as well as other goodies. Wide range of pricing available. For more information, you can contact them at 859-238-2288 and they can help you! Located on Main Street.

Twisted Sifter Cake Shoppe

This specialty cupcake and cake shop offers an endless variety of cupcakes, floral cupcake bouquets, cakes, cheesecakes, pies, cake-decorating parties (in house), and other items -- and they will deliver them to the campus post office. Everyone LOVES their gorgeous cupcake bouquets!! To discuss placing an order, call 859-238-9393. Located on Church Steet near the campus.

Burke's Bakery

Featured in *Southern Living* as one of the South's finest bakeries, Burkes Bakery's delicious items taste the same as they did when they first opened in 19 . Danville natives will testify (proudly) to the quality of the Burkes Bakery delicatessen. Famous for its butterflake rolls (average sale over a holiday is around 15,000 dozen), donuts, cookies, cakes, and other pastries, this Bakery will delight Centre students and families as it has done for years. No trip to Danville is complete without a stop at Burkes! Located on Main Street across from Constitution Square.

Care package service: <http://www.from-mom.com/>

Exciting News: Centre College has teamed up with From-Mom.com, Inc. for the 2013/14 school year to bring awesome care packages to your college student.

And even more Exciting News- Instead of returning a portion of the care packager sales to the parent program, we are passing the savings onto you!

The Centre College parent program has selected From-Mom.com, Inc. as the exclusive care package provider for the 2013/2014 school year. Their care packages are designed by college students for college students and include awesome food and beverages that your college student will love and love you for sending them. They combine fresh baked cookies, high quality healthy snacks, unique beverages, and a personalized note to create a care package that is the preferred choice of Centre College as well as parents and students across the nation

Make your student feel special. What could be better than a care package arriving during their first week of school or during Final Exams?
